Coffee and side table

T 240

Table

Solid wood dining table whose top is placed on rectangular drilled to support a free from holding beam.

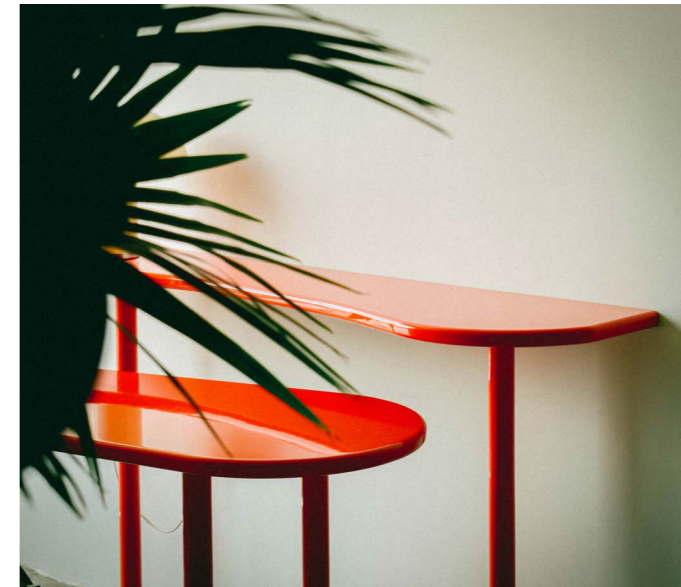

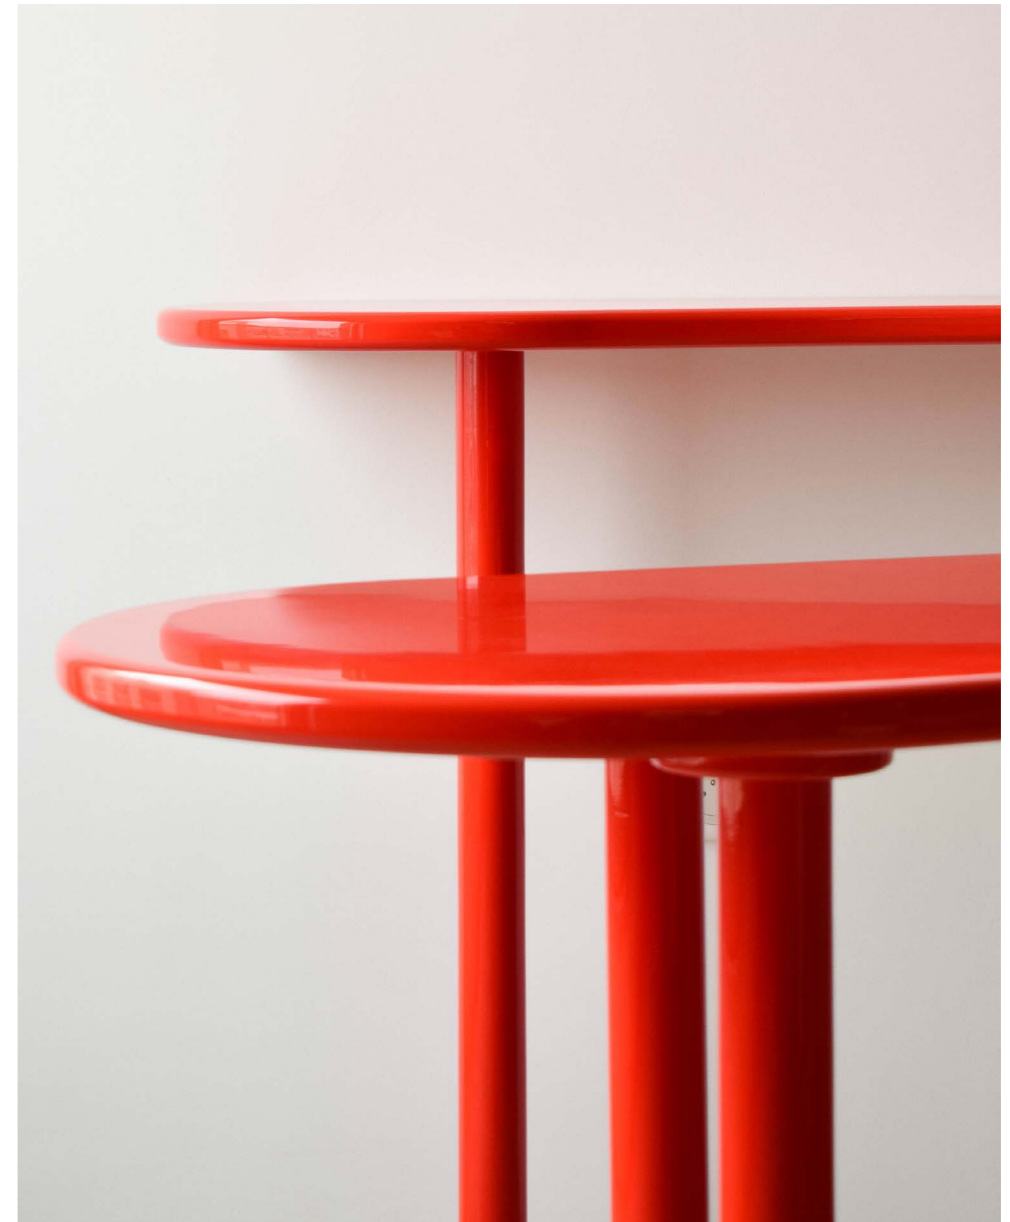

D DESK

Desk

This piece is a composition of a console and a table. Curved shapes and flexibility of layout are the real assets of this piece. The Double Desk is an ode to colour perched on its tubular legs.

AA
Side table

Small square or rectangular table with solid wood frame and gloss or mat lacquered top. A limited edition is offered in collaboration with the artist Aymen Mbarki, who drew oil paintings on terracotta tiles.

Gabes

Modular sofa

Modular sofa in solid wood with rounded edges carried by two rectangular legs. Recommended with this incredible yellow textile.

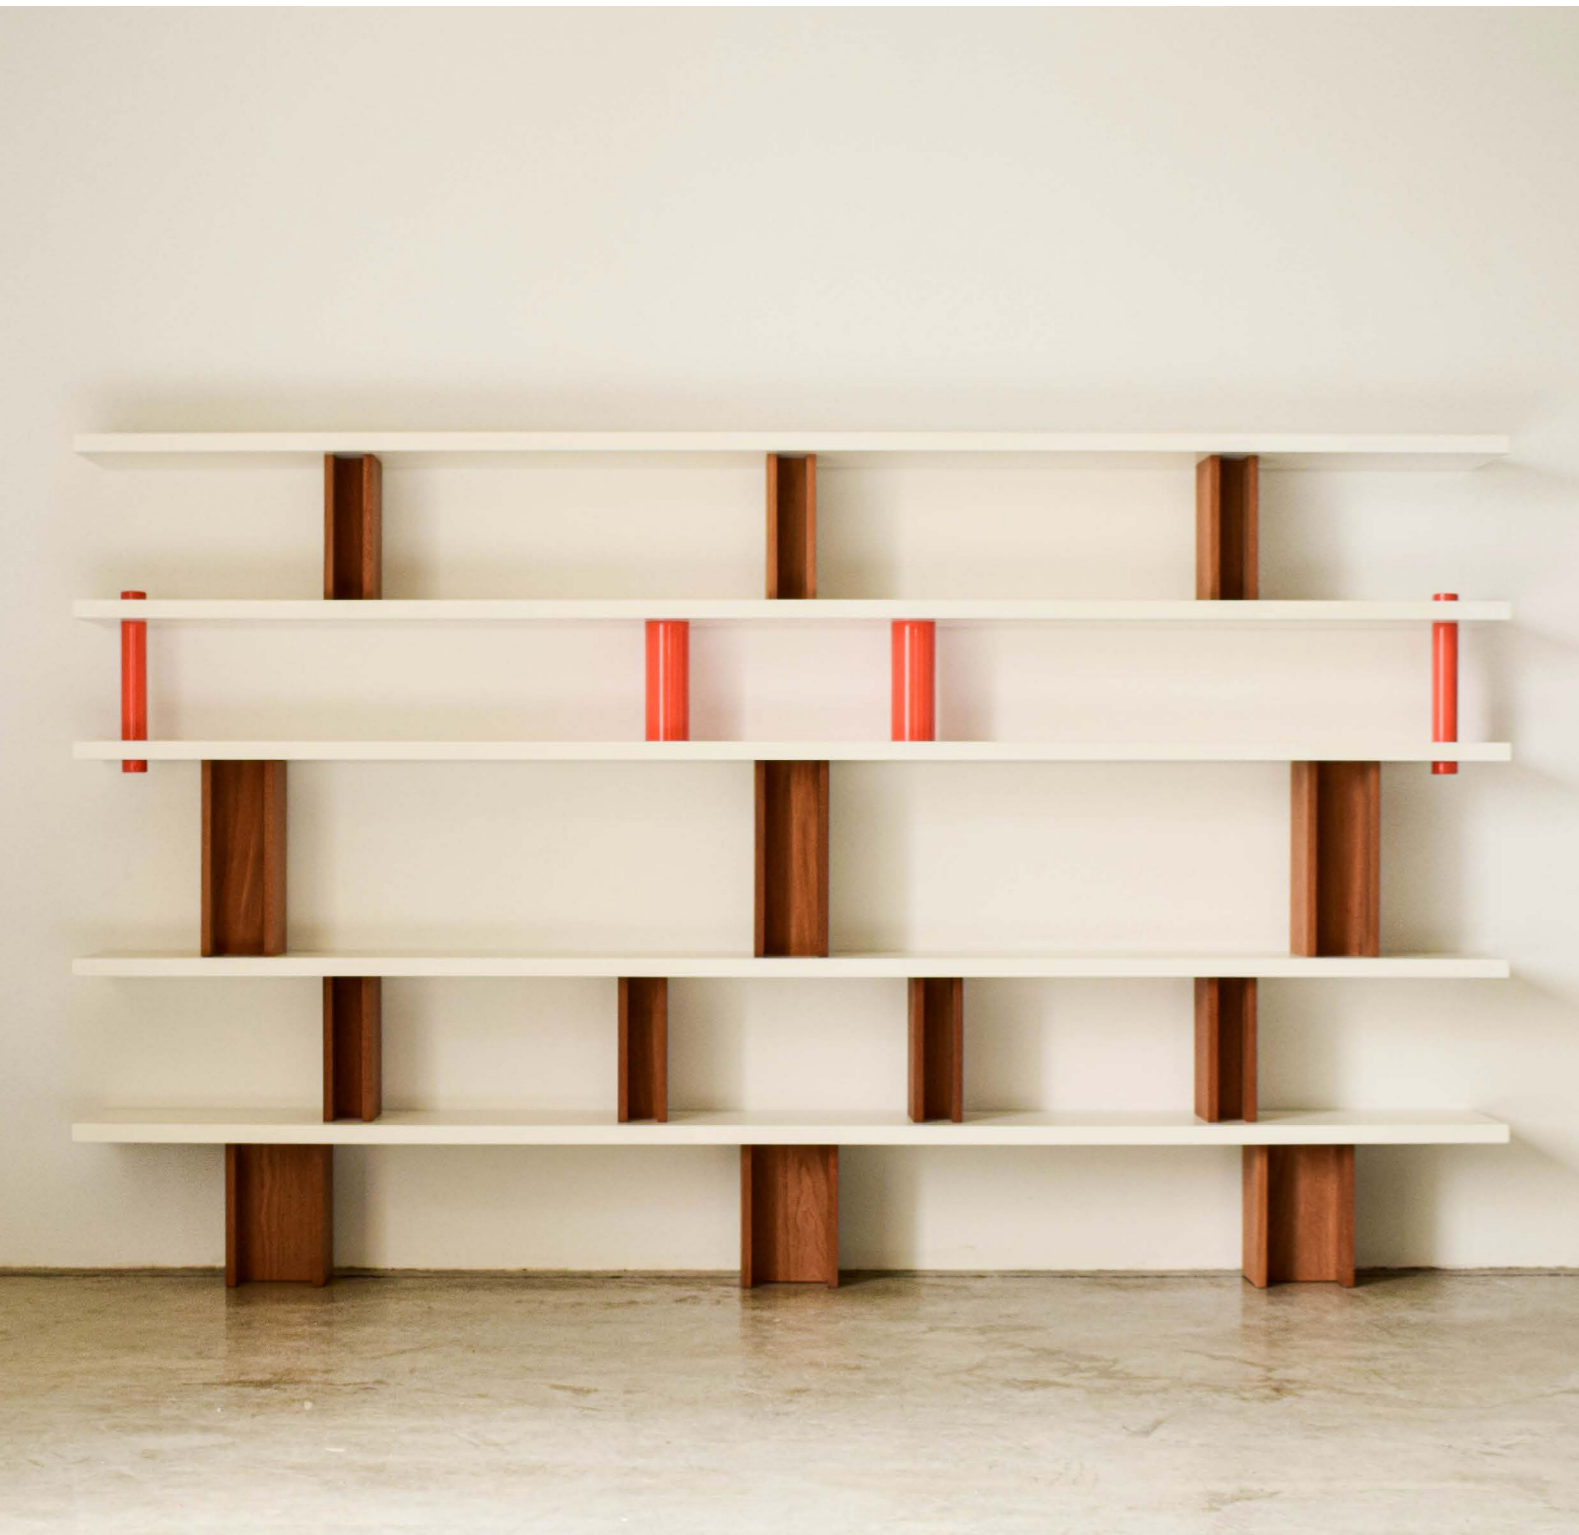

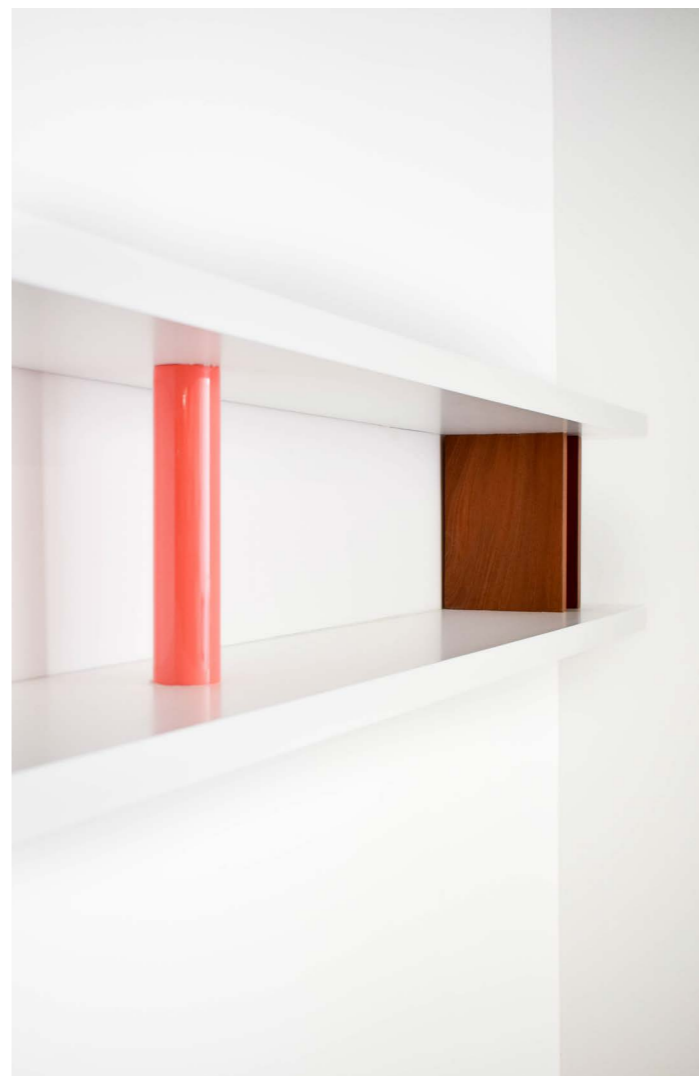

Babylone is a set of two bookcases and two shelves punctuated by racks resting on cylindrical and U-shaped supports. Babylone represents two repeated support models, offering a design with no beginning and no end. Its modular approach, characterized by two distinct support models, allows for seamless integration and endless possibilities for customization.

BABYLONE

Book shelf

SERPENT

Coffee table and could be a bench

Coffee table that comes in two pieces. With its original curves and shape, you can create multiple styles and layouts. Serpent can be used as a bench.

NEBULA

Sideboard

This sideboard composed of two large compartments closed by sliding panels and a series of base drawers. the interplay between wood and white transcends the structure of the buffet.

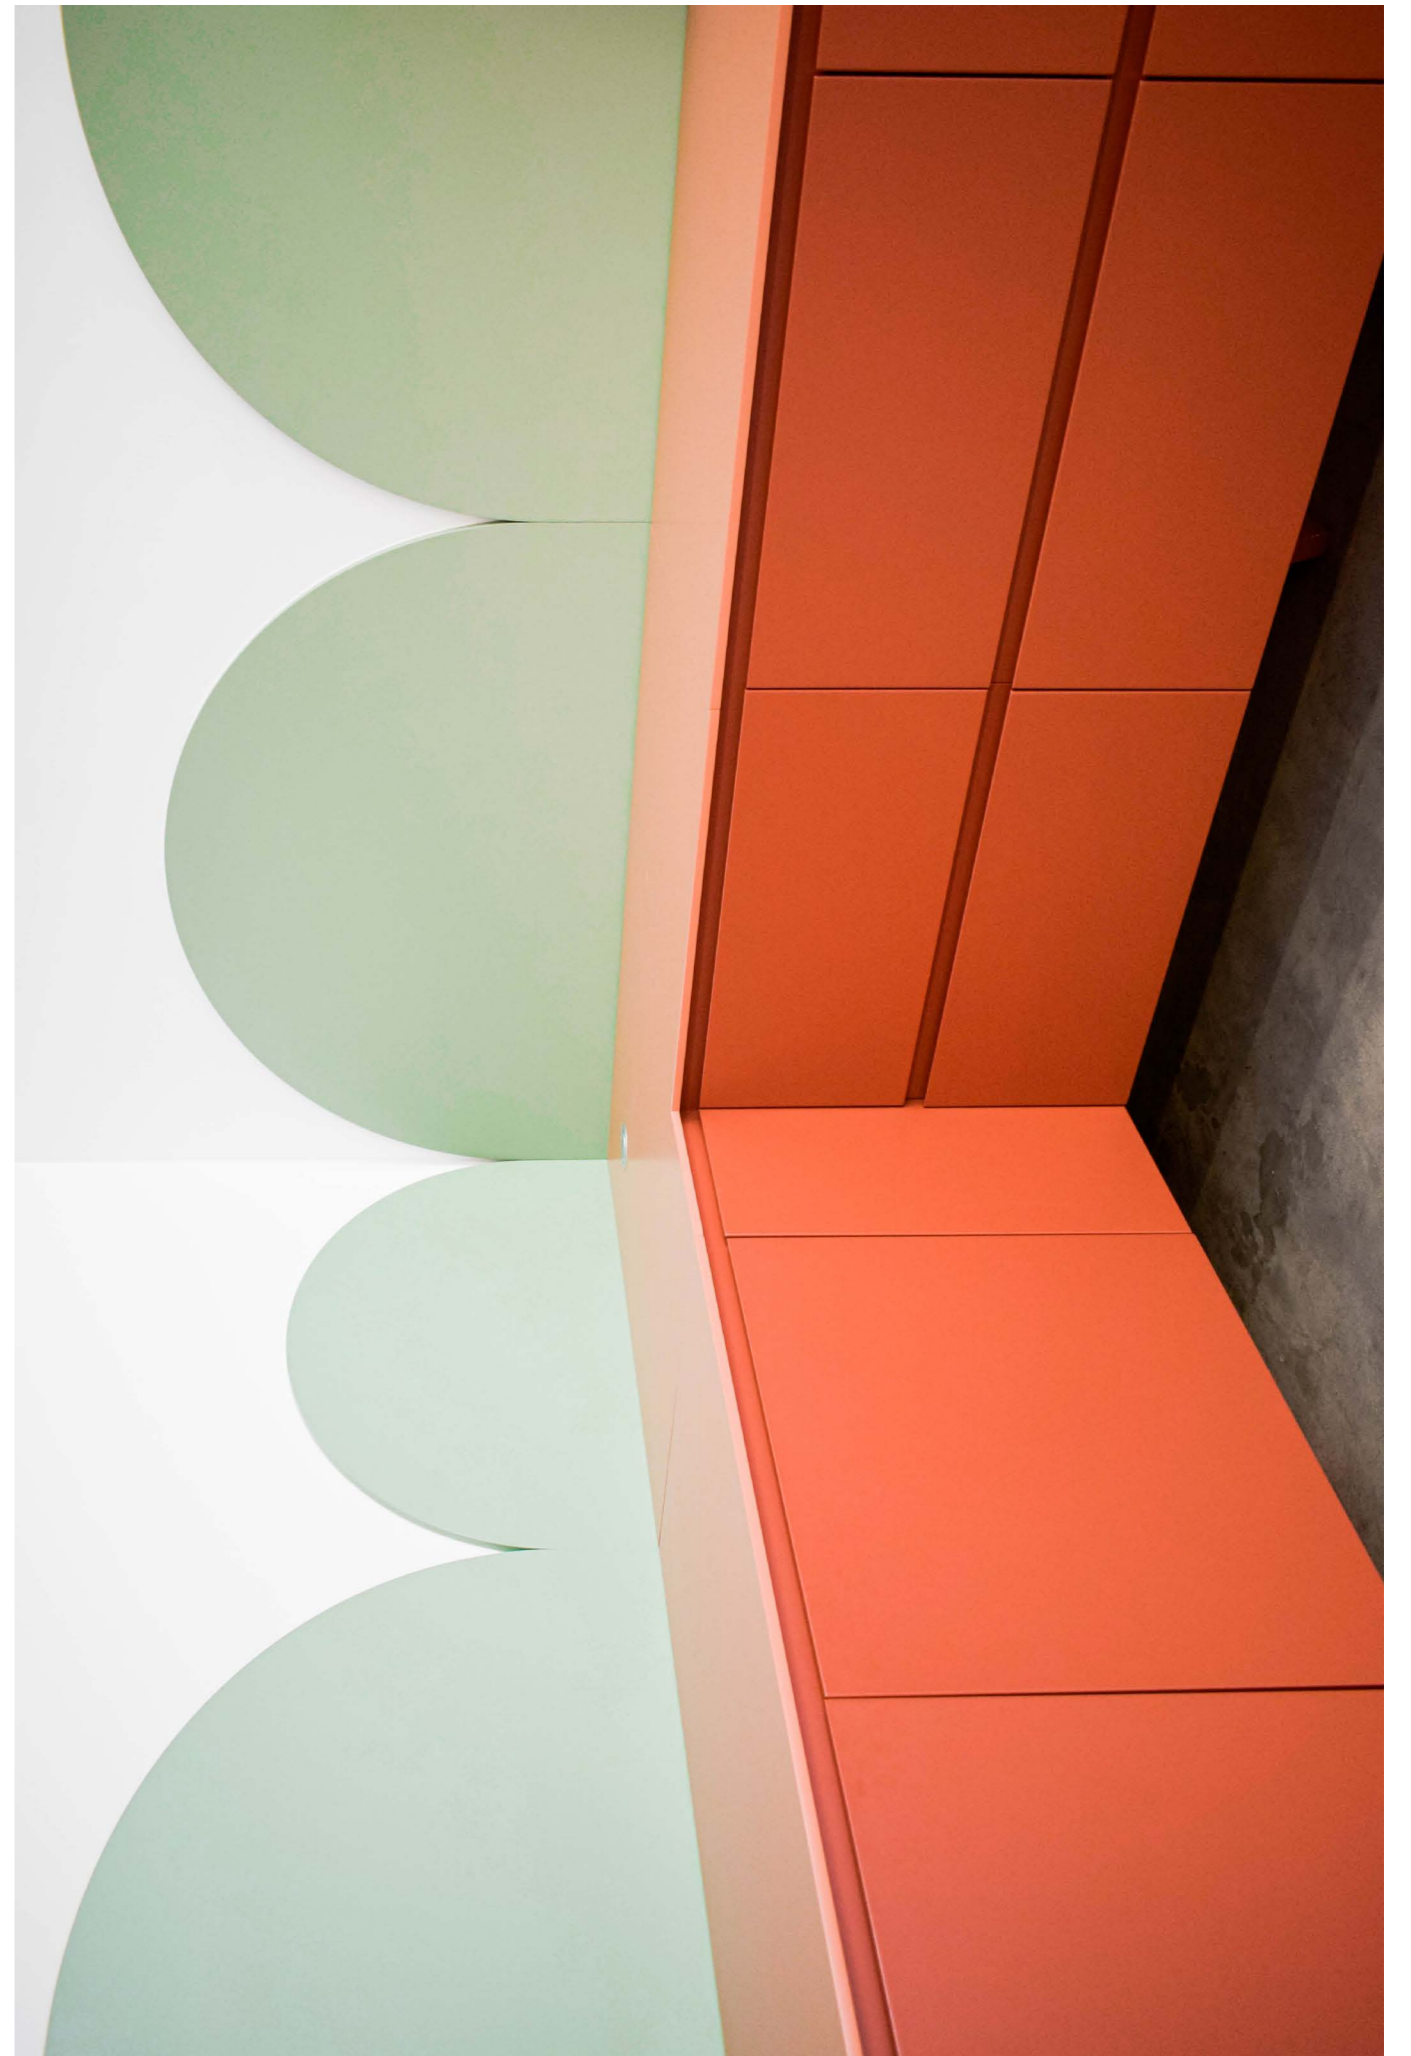

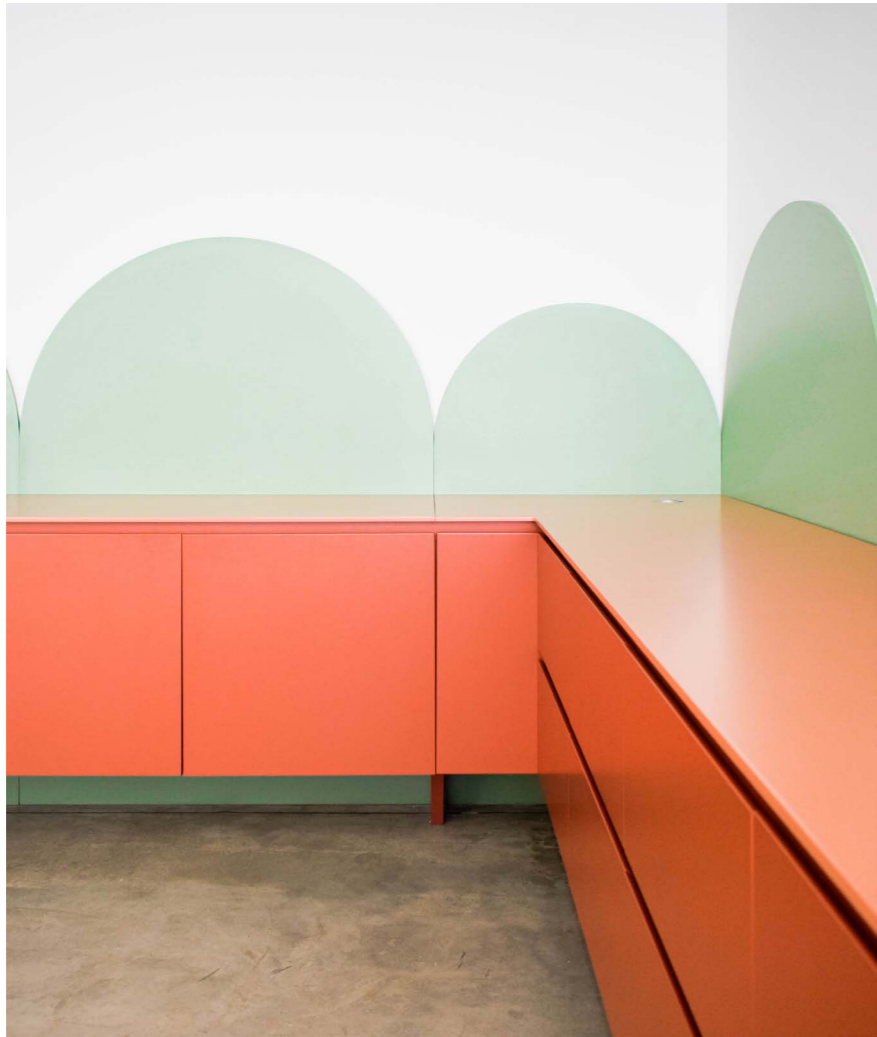

PRAIRIE **the impossible** **kitchen**

The modular kitchen lets you create furniture that's just like you, from the size to the color to the accessories.

It's geometrically shaped working plans, circular or triangular, and its feet give the kitchen a singular originality. Prairie blends harmoniously into your space whether it's an open-plan kitchen or a closed kitchen.
