DESCRIPTION

This modular kitchen lets you create a furniture that's just like you, from the size to the color to the accessories ...

Its geometrically shaped working plans, circular or triangular, and its feet give the kitchen a singular originality. Prairie blends harmoniously into your space, whether it's an open-plan kitchen, a corridor kitchen or a closed kitchen.

Prairie is much more than just a practical room, it becomes the center of a daily routine and a way of life. It's the kitchen as furniture.

DIMENSIONS

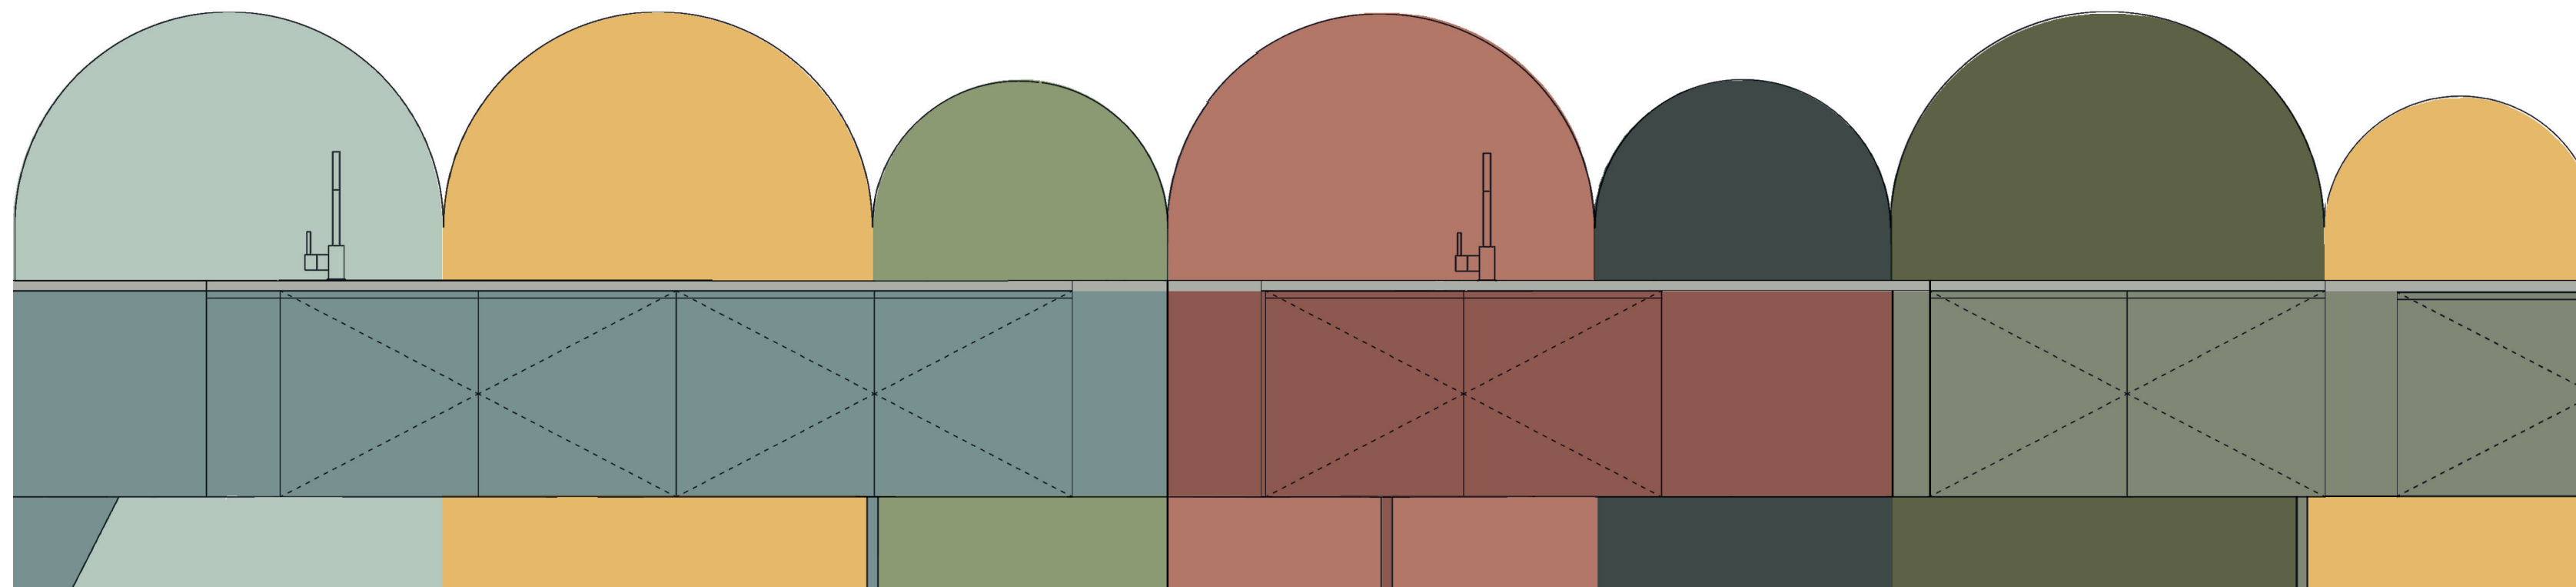

The kitchen is 90 cm high and 60 cm deep and is made to measure. The kitchen features standard cabinet sizes of 90 cm, 60 cm and 45 cm and a standard depth of 56 cm.

WORKING PLAN

For the working plan we use CORIAN® (composite materials brand) that can be painted in the color of your choice.

ACCESSORIES

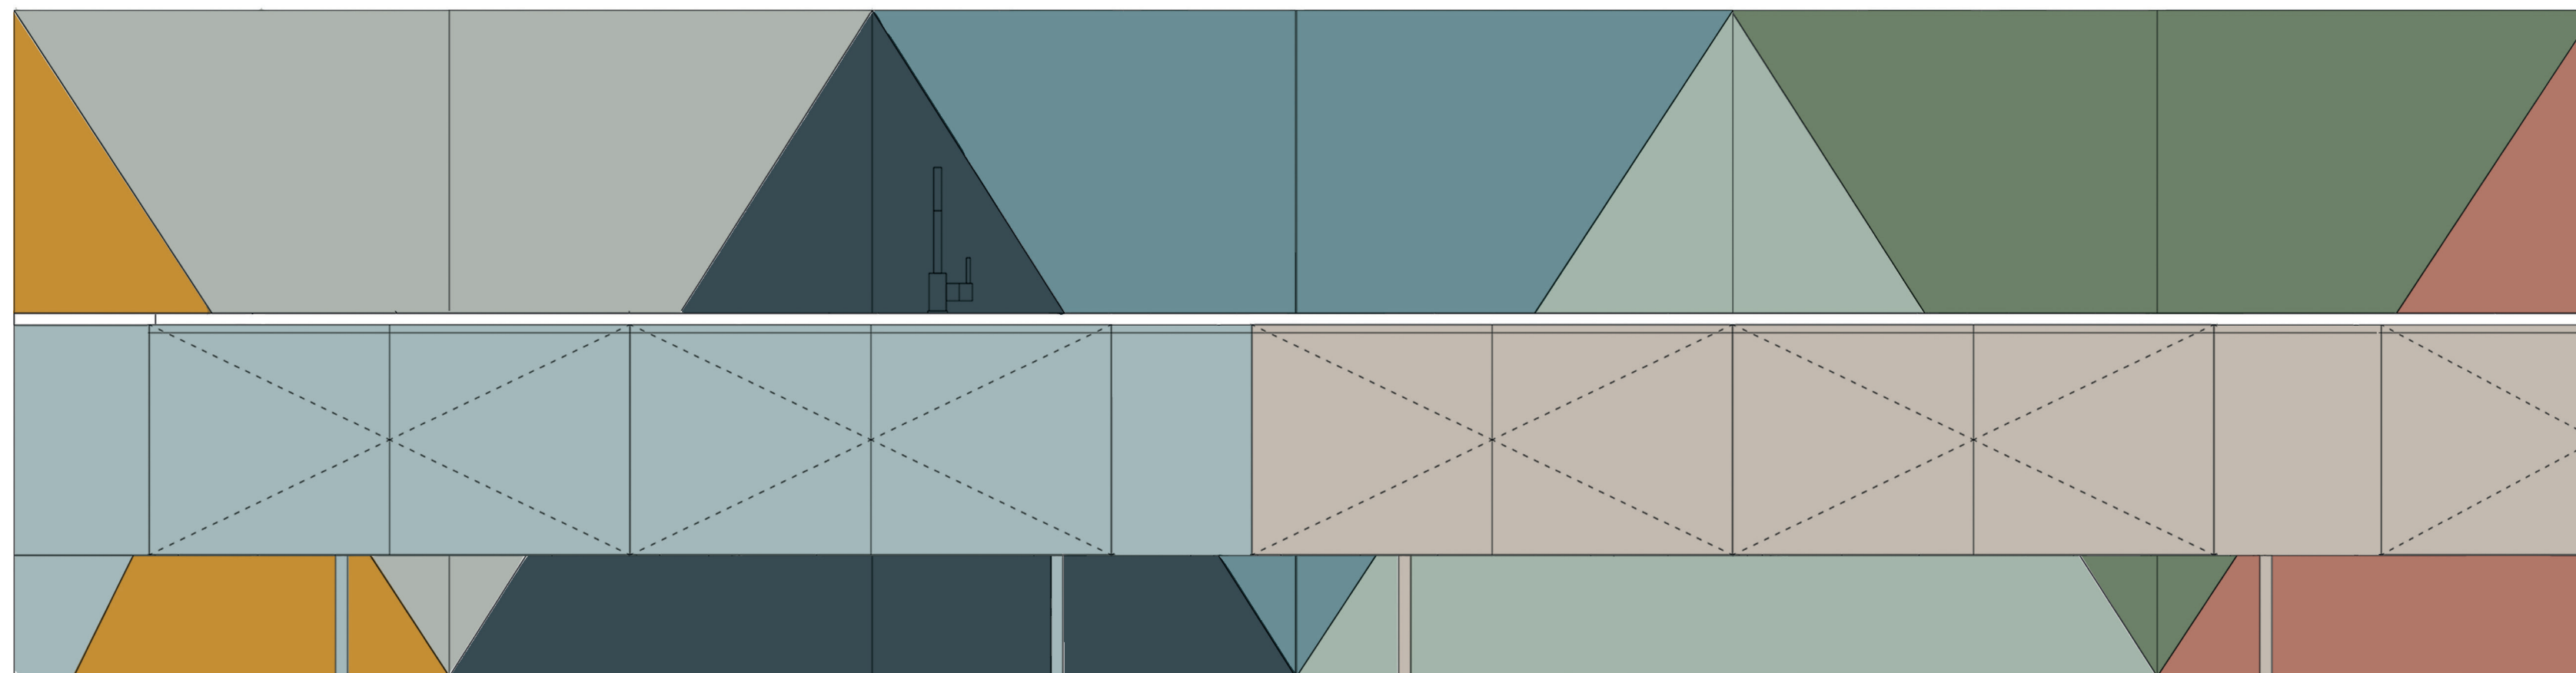

The kitchen features drawer storage, a planter and integrated sockets. Appliances, sinks and faucets are the customer's choice and responsibility.
